

ABOUT THE FUND

The Caribou Connections Fund supports school-aged Indigenous youth in Beverly and Qamanirjuaq caribou range communities to:

- strengthen caribou knowledge
- take part in cultural activities
- gain land-based skills, and receive young hunter training and education

ABOUT BQCMB

Founded in 1982, the Beverly and Qamanirjuaq Caribou Management Board (BQCMB) is a co-management board who works to safeguard the Beverly and Qamanirjuaq barren-ground caribou herds for present and future generations.

WHAT WE LOOK FOR

BQCMB looks for projects and activities that:

Centre Indigenous youth, Elders, knowledge holders, and community members.

Strengthen relationships between people and caribou.

Uphold Indigenous cultural practices, languages and traditions.

Partner with local organizations like schools and HTOs.

Chief Jimmy Bruneau School
Caribou Hunt Trip - Behchokō, NT

Events like this hunt make lasting memories for students, help connect school and community, and strengthen traditional learning and culture.

- Organizers from Chief Jimmy Bruneau School ”

ELIGIBLE PROJECTS

Traditional Skills

Hide tanning, caribou hair tufting, and drum making.

Education & Training

Hunter education programs, respectful harvest workshops, and school-based programs.

Knowledge Exchange

Storytelling circles, language camps, and mentorships between youth and Elders.

On-the-Land Programs

Culture camps, youth / Elder trips, and community caribou hunts.
